Pardee begins renovations to cafeteria in November

(Hendersonville, N.C.) The [Pardee cafeteria](#) is moving forward with a much anticipated renovation project. The project is due to be complete around the end of February.

The project will consist of demolition of the existing facility, adding two new service areas to include a full service grill, offering fresh, hot and cold sandwich specials as well as additional healthy options. There will also be a special cook-to-order international menu selection offered on a regular basis. Many new services and a pleasant, modern atmosphere will be available at the conclusion of the project.

During this renovation process there will be some operational changes to allow for construction. A temporary cafeteria service will be offered in the education classroom located on the hospital's ground floor. The temporary cafeteria will be open every day including weekends. The [Garden Café](#) will also be available for expanded service from 8:30 a.m. until 7:30 p.m.

Additional updates regarding the renovation progress can be found by visiting www.pardeeblog.org.
