**David Napoli, M.D., to discuss carpal tunnel syndrome**

*(Hendersonville, N.C.)* David Napoli, M.D., a local orthopedic surgeon with Blue Ridge Bone & Joint, will discuss carpal tunnel syndrome and the available treatments on Tuesday, June 14, from 12:30 – 1:30 p.m. at the Pardee Health Education Center, located in the Blue Ridge Mall.

Carpal tunnel syndrome occurs when there is a pinched nerve in the wrist, causing pain, numbness and eventually weakening of the hand.

This discussion is free and open to the public. Registration is required, please call 1-866-790-WELL. For more information about carpal tunnel syndrome, visit [www.mayoclinic.com](http://www.mayoclinic.com).

[Pardee Hospital](#) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family
