David Napoli, M.D., to discuss Dupuytren's Disease

(Hendersonville, N.C.) David Napoli, M.D., a local orthopedic surgeon with Blue Ridge Bone & Joint, will discuss treatment for Dupuytren's Disease on Tuesday, April 19, from 12:30 until 1:30 p.m. at the Pardee Health Education Center, located in the Blue Ridge Mall.

Dupuytren's Disease occurs when there is abnormal thickening of the tissue underneath the skin of the palm, causing the fingers to contract into the palm of the hand.

This discussion is free and open to the public. Registration is required by calling 1-866-790-WELL. For more information about Dupuytren's Disease please visit www.assh.org.

[Pardee Hospital](#) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family
