**Gail Garren, RN, MSN, CPHQ, receives certification from National
Association for Healthcare Quality**

(Hendersonville, N.C.) Gail Garren, RN, MSN, CPHQ, was recently designated as a Certified Professional in Healthcare Quality (CPHQ) from the National Association for Healthcare Quality. This certification recognizes professionals who have demonstrated a comprehensive body of knowledge in quality management, quality improvement, case/care/disease/utilization management, and risk management.

“We are proud of Gail Garren and applaud her personal commitment to bringing the highest level of quality and professionalism to her area of specialty. Gail is an excellent example of how our staff at Pardee continuously keeps us at the leading edge of healthcare practice,” said Robert T. Kiskaddon, M.D., F.A.C.E.P., Chief Medical Officer at Pardee.

Garren received her bachelor of science in nursing from California State University at Los Angeles and her master of science in nursing from the University of Phoenix.
