Amal Das, M.D., to discuss hip and knee replacements at Pardee Health Education Center

(Hendersonville, N.C.) Amal Das, M.D., with Hendersonville Orthopaedics, will discuss hip and knee anatomy and the procedures for replacing these joints at the New Innovations in Hip and Knee Replacement presentation on Friday, July 22, from 2 – 4 p.m. at the Pardee Health Education Center, located in the Blue Ridge Mall.

Hip and knee replacements are necessary when everyday activities become difficult and the pain in the hip or knee joints becomes unbearable.

This presentation is free and open to the public. Registration is required by calling 1-866-790-WELL. For more information about hip or knee replacements, please visit www.kneereplacement.com or www.hipreplacement.com.

[Pardee Hospital](http://www.pardeehospital.org) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](http://www.hendersoncountync.gov). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family
