Pardee Welcomes Primary Care Physician, Bryan Hodge

(Hendersonville, NC) Pardee Hospital is proud to announce that Bryan Hodge, D.O., a family practice physician, recently joined its medical staff and is currently accepting new patients at Pardee Hendersonville Family Health Center.

Dr. Hodge received his medical degree from Kirksville College of Osteopathic Medicine in Kirksville, Mo. He completed his residency at Exempla St. Joseph Family Medicine in Denver, Colo.

Dr. Hodge has special interests in treating patients of all ages, chronic disease management and preventative care. He recently moved to the Hendersonville area with his wife and three children. Dr. Hodge enjoys hiking, running, biking, camping and the outdoors. He serves on the active medical staff at [Pardee Hospital](#) and is a faculty member at the [Hendersonville MAHEC Family Medicine Residency Program](#).

"I'm happy to be in mountains of Western North Carolina and look forward to getting to know the community. In the short time that I have been at Pardee, I have been impressed with both the medical staff and the hospital associates," said Hodge.

Pardee Hospital is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in

Margaret R. Pardee Memorial Hospital
800 North Justice Street, Hendersonville, NC 28791

[Henderson County](#). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family and internal medicine practices, and an urgent care facility. For more information or to find a physician, call 1-866-790-WELL (9355) or visit www.pardeehospital.org.

The offices of [Hendersonville Family Health Center](#) are affiliated with [MAHEC](#) and the [UNC Chapel Hill School of Medicine](#) and serve as a teaching facility. By teaching resident physicians and participating in continuing education programs, physicians are continually learning the latest medical advancements and treatments. To schedule an appointment with Dr. Hodge, call (828) 696-1234.
