Pardee Lifeline offers free installations until Dec. 31

(Hendersonville, NC) [Pardee Lifeline](#), a system that summons help immediately at the touch of a button, is offering the first month free and free installation until Dec. 31. This is a total savings of \$90.50. To take advantage of this offer, call (828) 692-9061 and use coupon code FD6.

Pardee Lifeline has been providing the Lifeline service to Henderson County for over 27 years. The service is ideal for those with high-risk medical conditions, chronic illnesses or individuals with limited mobility. Lifeline offers other services as well, such as a speakerphone function allowing individuals to answer the telephone without using a handheld receiver and the ability to leave reminders of important things to do throughout the day.

“We are proud of the service we provide our elders, which helps them continue living in the homes they love,” says Ron Comeens, Lifeline coordinator for Pardee Hospital. “We are especially driven during this holiday season to help more at-risk elders remain independent, so that they can share in the festivities with their family and friends at home. Holidays should be a time for celebration, not worry.”

Lifeline recently launched the new AutoAlert button featuring the only pendant-style help button that can automatically call for help if a fall is detected and a senior is unable to push his or her help button. Operators are available to answer questions or provide assistance 24 hours a day, seven days a week. Lifeline also retains pertinent health history and information on who to contact in the case of an emergency, when an individual is unable to provide this information.

Subscription to this service is available for a low monthly fee, based on the types of options selected.

[Pardee Hospital](http://www.pardeehospital.org) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](http://www.pardeehospital.org). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family and internal medicine practices, and an urgent care facility. For more information or to find a physician, call 1-866-790-WELL (9355) or visit www.pardeehospital.org.
