**Pardee announces opening of a new Pain Center**

*(Hendersonville, N.C.)* Pardee Hospital is pleased to announce the opening of the new Pain Center which is now located inside Pardee Hospital on the first floor.

The Pain Center will provide treatment for chronic pain and diseases of the spine. The Pain Center offers a variety of treatment options for chronic pain and diseases of the spine including x-ray guided diagnostic and therapeutic injections, medical management, facet, sacroiliac and nerve root blocks, spinal cord stimulation and opioid management. The medical director, Edward A. Lewis, M.D., is board certified in anesthesiology and pain medicine.

Dr. Lewis is currently accepting new patients. Please contact the center direct at 828-694-4548 for more information or visit [pardeehospital.org](http://pardeehospital.org).

[Pardee Hospital](http://Pardee Hospital) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](http://Henderson County). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family
