Pardee Hospital launches new podcast site

(Hendersonville, N.C.) Pardee Hospital launched a new resource of information with the addition of Pardee Podcasts, which will include podcasts of physician speaking engagements and radio shows.

“This new audio library is now available to add another element of health information for our patients. This catalog is designed to help enhance patients’ knowledge as well as introduce them to our physicians to give them a better understanding of services offered at Pardee Hospital,” said Richard Prudhomme, Director of Creative Marketing and Communications.

For more information about Pardee Podcasts please visit our [blog](#).

[Pardee Hospital](#) is a not-for-profit community hospital founded in 1953 and is the first and only hospital to be accredited with the International Organization for Standardization (ISO 9001:2008) for quality healthcare in North Carolina. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus, including a comprehensive physician practice network, an adult day services center, a
