Pardee offers Camp Liberty for adult cancer patients and survivors

(Hendersonville, N.C.) Pardee Hospital is proud to once again offer Camp Liberty, an annual weekend camp for adult cancer patients and survivors receiving treatment in Henderson County. Camp Liberty will be held from Aug. 27-29 at Bonclarken Conference Center in Flat Rock, N.C.

Camp Liberty is a weekend retreat for male and female cancer patients and survivors, age 25 years and older, who received or are receiving their treatment in Henderson County. The camp includes two nights of lodging, meals and various activities. During the weekend, patients and survivors will have the opportunity to interact with each other in a relaxed and supportive environment. A *Celebration of Life* picnic will be held on the final day of the camp for family members.

“Camp Liberty will provide an escape from the standard regime of treatment and will benefit patients both mentally and spiritually,” said Rhonda Fain, director of Camp Liberty and chief radiation therapist at Pardee’s Comprehensive Cancer Center. “We are dedicated to providing an uplifting experience and a celebration of life.”

For more information about attending Camp Liberty contact Stephanie “Brooke” Allen at (828) 696-1330 or Stephanie.Allen@pardeehospital.org. Space is limited.

The Comprehensive Cancer Center at Pardee is accredited with commendation by the American College of Surgeons Commission on Cancer and is the only hospital in N.C. to receive the 2009 Outstanding Achievement Award. The center offers a full range of advanced treatment and diagnostic services performed by highly qualified cancer specialists. Services include surgery, medical oncology, radiation oncology, high-tech radiology and laboratory diagnostic support and clinical treatment trials. Community education programs, cancer screenings, support groups and holistic patient and family support are also available. For more information or to find a physician, call 1-866-790-WELL (9355) or visit www.pardeehospital.org.
