**Pardee Welcomes Dr. Carol Copenhaver**

*(Hendersonville, NC)* Pardee Hospital is proud to announce that Carol Copenhaver, M.D., M.S.P.H., has recently joined its medical staff, and is currently accepting new patients at Pardee Mills River Family Health Center located at 9 Crossroad Drive in Mills River, N.C.

Dr. Copenhaver received her medical degree from the University of North Carolina School of Medicine also in Chapel Hill. She completed her residency in family medicine at the University of Rochester's Highland Hospital in Rochester, N.Y. Dr. Copenhaver also received her master's degree in public health from the University of North Carolina in Chapel Hill. Prior to moving to North Carolina, she was in private practice with a family medicine group in Allentown, Pa.

Dr. Copenhaver is a board certified family practice physician and joins the long-established practice of Bob Webb, M.D. and William A. Hull, PA. She lives in the area with her husband, Chris Copenhaver, an allergist with Allergy Partners, and their three children. She is excited to take advantage of the mountains and enjoys running, hiking and camping.

“I enjoy family medicine because I like to focus on keeping people as healthy as possible,” said Copenhaver. “I look forward to getting to know families from the youngest to oldest members, hearing their stories and sharing in their successes as well as their setbacks.”

Pardee Hospital is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family and internal medicine practices, and an urgent care facility.
