Dukes becomes certified case manager

(Hendersonville, N.C.) Linda Dukes, CCM, works in the community case management department at Pardee Home Care and recently earned her certified case manager credential. "This certification is a demonstration of Linda's commitment to her job and her abilities to case manage," said Wanda Moore, director of Pardee Home Care. "Linda is a great ambassador for Pardee."

Case managers who have earned the Certified Case Manager (CCM) credential have the expertise, knowledge and professional experience to provide the right services to patients with serious or complex medical conditions, and/or catastrophic injuries and illnesses. Certified Case Managers have proven experience working to provide services such as: designing and monitoring a care plan, coordinating among care providers, facilitating communication among multiple parties, evaluating patient progress, and more.

[Pardee Home Care](#) offers a full range of in-home services provided by registered nurses, rehab specialists, social workers and home health aide. In-home services include: physical therapy, occupational therapy, speech therapy, orthopedic and cardiac care, diabetes management, home safety evaluations, full range of nursing
