

**PRESS RELEASE:**

Sept. 24, 2010

On-Call Media Cell: (828) 674-2358

**Pardee Lifeline offers free installations until Oct. 15**

(Hendersonville, NC) [Pardee Lifeline](#), a system that summons help immediately at the touch of a button, is offering the first month free and free installation that expires Oct. 15. This is a total savings of \$90.50. To take advantage of this offer, call (828) 692-9061 and use coupon code FD6.

The service is ideal for those with high-risk medical conditions, chronic illnesses or individuals with limited mobility. Lifeline offers other services as well, such as a speakerphone function allowing individuals to answer the telephone without using a handheld receiver and the ability to leave reminders of important things to do throughout the day.

Lifeline recently launched the new AutoAlert button featuring the only pendant-style help button that can automatically call for help if a fall is detected and a senior is unable to push his or her help button. According to an internal laboratory study of simulated falls, Lifeline with AutoAlert detected 95 percent of many types of falls and had a low rate of false alarms.

Lifeline operators are available to answer questions or provide assistance 24 hours a day, seven days a week. Lifeline also retains pertinent health history and

information on who to contact in the case of an emergency, when an individual is unable to provide this information.

“Lifeline’s personal medical alert service and equipment options make it easy to select the safety and convenience features that work best for you and your family,” said Ron Comeens, Lifeline coordinator for Pardee Hospital.

Subscription to this service is available for a low monthly fee, based on the types of options selected. To take advantage of this free installation and free first month offer, call (828) 692-9061 and use coupon code FD6.

[Pardee Hospital](http://www.pardeehospital.org) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](http://www.pardeehospital.org). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family and internal medicine practices, and an urgent care facility. For more information or to find a physician, call 1-866-790-WELL (9355) or visit [www.pardeehospital.org](http://www.pardeehospital.org).
