**Pardee Welcomes Primary Care Physician, Magdalena Michael**

*(Hendersonville, NC)* Pardee Hospital is proud to announce that Magdalena Michael, M.D., a family practice physician, recently joined its medical staff, and is currently accepting new patients at Pardee Hendersonville Family Health Center.

Dr. Michael received her medical degree from East Tennessee State University in Johnson City, Tenn. She completed her residency at UCLA Family Medicine Residency in Santa Monica, Calif.

Dr. Michael is interested in the full spectrum of family medicine including pediatrics, low-risk obstetrics, contraception, women's health, prevention and wellness. She is originally from Asheville and recently moved back to the area. Dr. Michael enjoys hiking, cooking and the outdoors. She serves on the active medical staff at [Pardee Hospital](#) and is a faculty member at the [Hendersonville MAHEC Family Medicine Residency Program](#).

"I'm glad to be back in the mountains of Western North Carolina and am excited to join the Pardee medical community. Pardee has a great reputation for quality services and I am excited to be part of the team," said Michael.

**Margaret R. Pardee Memorial Hospital**  
800 North Justice Street, Hendersonville, NC 28791

Pardee Hospital is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus, including an adult day services center, a health education center in the Blue Ridge Mall, home care services, a rehab and wellness center, a midwifery program, various family and internal medicine practices, and an urgent care facility. For more information or to find a physician, call 1-866-790-WELL (9355) or visit [www.pardeehospital.org](http://www.pardeehospital.org).

The offices of [Hendersonville Family Health Center](#) are affiliated with [MAHEC](#) and the [UNC Chapel Hill School of Medicine](#) and serve as a teaching facility. By teaching resident physicians and participating in continuing education programs, physicians are continually learning the latest medical advancements and treatments. To schedule an appointment with Dr. Michael, call (828) 696-1234.
