Local surgeon to discuss carpal tunnel syndrome

(Hendersonville, NC) David Napoli, M.D., an orthopedic surgeon with [Blue Ridge Bone and Joint](#), will discuss the causes and treatment options for carpal tunnel syndrome in a free presentation at the Pardee Health Education Center on Tue., April 6, from 12:30 until 1:30 p.m.

Carpal tunnel syndrome is compression of the median nerve at the wrist, which may result in numbness, tingling, weakness, or muscle damage in the hand and fingers.

Napoli specializes in hand and wrist disorders and injuries, as well as general orthopedic surgery. He serves on the medical staff at Pardee Hospital. Napoli will answer questions after the presentation. Registration for this free presentation is required by calling 1-866-790-WELL (9355).

The [Pardee Health Education Center](#) is a unique community outreach program of the hospital that provides an array of services from health fairs and screenings to seminars and support groups. Last year, the center provided more than 10,000 free and low-cost screenings to community members.

[Pardee Hospital](#) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in
