Pardee Urgent Care now offers online scheduling

(Hendersonville, N.C.) [Pardee Urgent Care](#) is now offering the convenience of online scheduling for their patients. This method of scheduling is quick and easy for patients who prefer to schedule their visit in advance.

“Offering online appointment scheduling in advance of patients’ arrival to Pardee Urgent Care makes their visit quicker than ever before,” said Tonya Cochran, director of Pardee Urgent Care. “We hope that patients will see the convenience in this new scheduling method and take advantage of the opportunity to schedule appointments on their home computer or smartphone with just the click of a button.”

Pardee Urgent Care staffs a physician on-site at all times to assure that you or your loved one’s minor emergencies are addressed with the highest quality of care. These physicians have the ability to diagnose patients’ medical urgencies promptly and refer to specialists if necessary. Pardee Urgent Care is unique in offering a physician onsite during all hours of operation.

Appointments are not required to be seen at Pardee Urgent Care. If you or your family member has an immediate need to see a physician, please come directly to our

center. The online appointment scheduling tool allows for patients to make appointments in advance and after normal business hours.

[Pardee Urgent Care](#) provides expert medical attention for your unscheduled or urgent medical needs that are not considered emergencies.
