Pardee to offer prostate exams and screenings

(Hendersonville, N.C.) Seth Novoselsky, M.D., of Pardee Urological Associates, will offer prostate exams and PSA blood tests at the Pardee Health Education Center on Fri., Nov. 13, from 9 a.m. until 4 p.m. The exams are free and the PSA blood tests cost \$10.

The [American Cancer Society \(ACS\)](#) recommends that beginning at age 50 men discuss the potential benefits and limitations of prostate cancer testing with their doctor. This discussion should take place starting at age 45 for men at high risk of developing prostate cancer.

Registration is required. Please call toll free 1-866-790-WELL (9355) for further information and to make an appointment.

The [Pardee Health Education Center](#) is a unique community outreach program of the hospital that provides an array of services from health fairs and screenings to seminars and support groups. Last year, the center provided more than 10,000 free and low-cost screenings to community members.

[Pardee Hospital](#) is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in [Henderson County](#). The hospital has several locations separate from the main campus,
