Dr. Elizabeth Saft joins Pardee Etowah practice

(Hendersonville, N.C.) Pardee Hospital is proud to announce that Elizabeth Saft, D.O., has recently joined the medical staff of Hendersonville Family Health Center in Etowah located at 6503 Brevard Road. She is currently accepting new patients.

Dr. Saft has a master's degree in genetics and received her doctorate in osteopathic medicine from the Edward Via Virginia College of Osteopathic Medicine in Blacksburg, Va. She recently graduated from the [Hendersonville MAHEC Family Residency Program](#). Dr. Saft has special interests in obstetrics, gynecology, pediatrics and women's health.

Dr. Saft lives in the area with her husband and son. She is an avid hiker and runner. She was the first place female finisher in last year's [Apple Festival 8K Race](#) in Hendersonville.

"I am very excited to be starting at Hendersonville Family Health Center's Etowah location. I look forward to becoming more involved and active in the Etowah community and hope to provide many years of quality medical care," said Saft.

Pardee Hospital is a not-for-profit community hospital founded in 1953. The main hospital is licensed for 222 acute care beds and is the second largest employer in
